Description

The Venue is a unique multi-purpose room which was originally built as a cinema in 1919. It was converted into a dance venue in 1991 and still retains its elegant charm. The Venue is well known for its large dance floor and the retention of its 1920’s original architectural features. It's the perfect location for a special event or party. The spacious hall provides a stylish and comfortable environment to help create the perfect atmosphere for your special occasion.
